

Writing Tips

PEGA BLOG is different from others because we not only provide up-to-date info, but also have insights and thoughts about it!

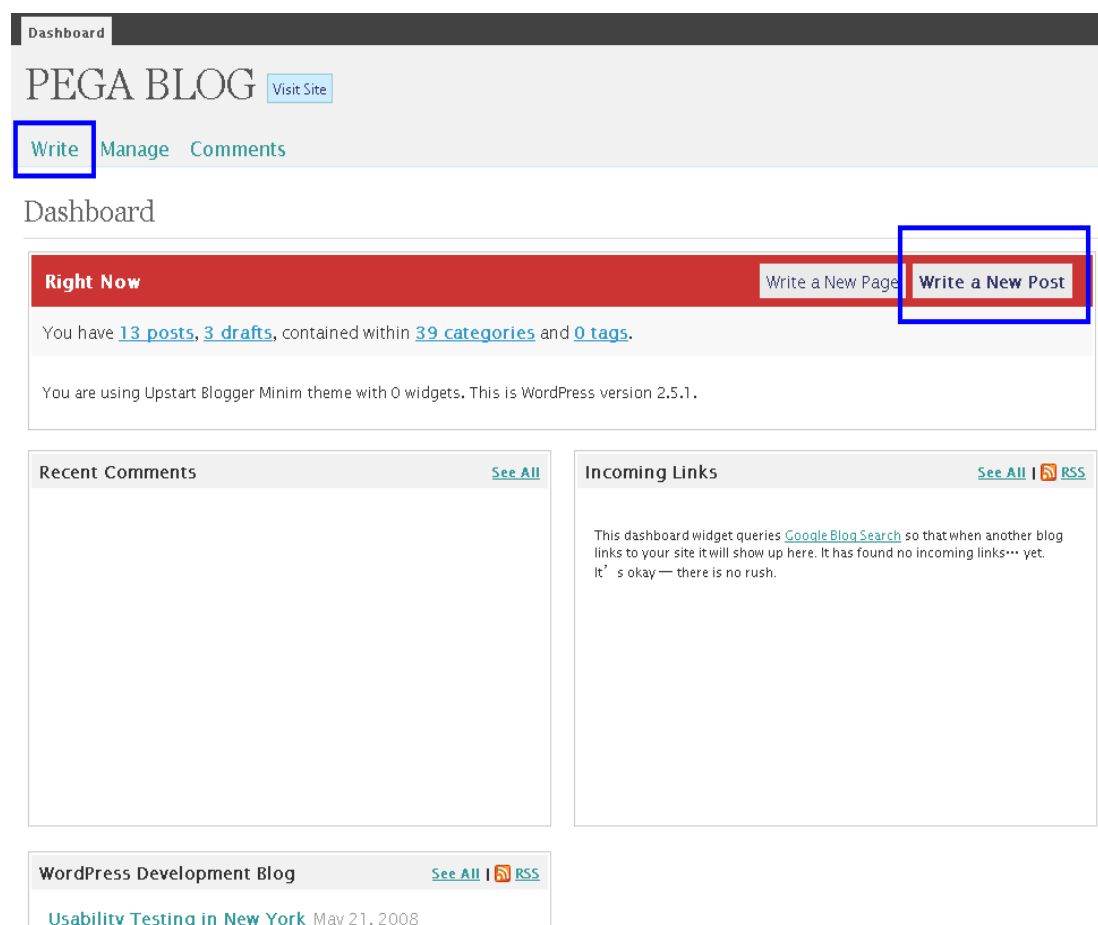

很開心，PEGA BLOG 終於正式上線! 今後大家不用再透過 email 轉寄文章囉! PEGA BLOG 一方面能提供更多元的分享平台，讓大家將彼此希望分享的新知統一紀錄，以發揮更廣泛的效益! 另一方面也可減少 email 的信件流量，避免佔用 Outlook 的空間。

特別的是，PEGA BLOG 裡面的文章，希望是大家消化資訊之後的心得分享，藉由不同角度的看法，創造彼此間更多的火花，或許也可以激發未來創作上的靈感。

上傳文章的方式非常簡單，以下提供給大家參考~

The screenshot shows the WordPress 'Write Post' interface. At the top, there's a navigation bar with 'Write', 'Manage', and 'Comments'. Below that, 'Post', 'Page', and 'Link' are visible. The main content area is titled 'Write Post' and contains a 'Title' field, a 'Post' editor with a rich text toolbar, and a 'Tags' section. A blue box highlights the 'Add media' button in the toolbar, with a blue arrow pointing to it and the Chinese text '插入圖片' (Insert Image) written inside the box. To the right, there's a 'Publish Status' section with a dropdown menu set to 'Unpublished', a checkbox for 'Keep this post private', and a 'Publish immediately' link. Below that are 'Save' and 'Publish' buttons. A 'Related' section at the bottom right lists links for 'Manage All Comments', 'Manage All Posts', 'Manage All Categories', 'Manage All Tags', and 'View Drafts'.

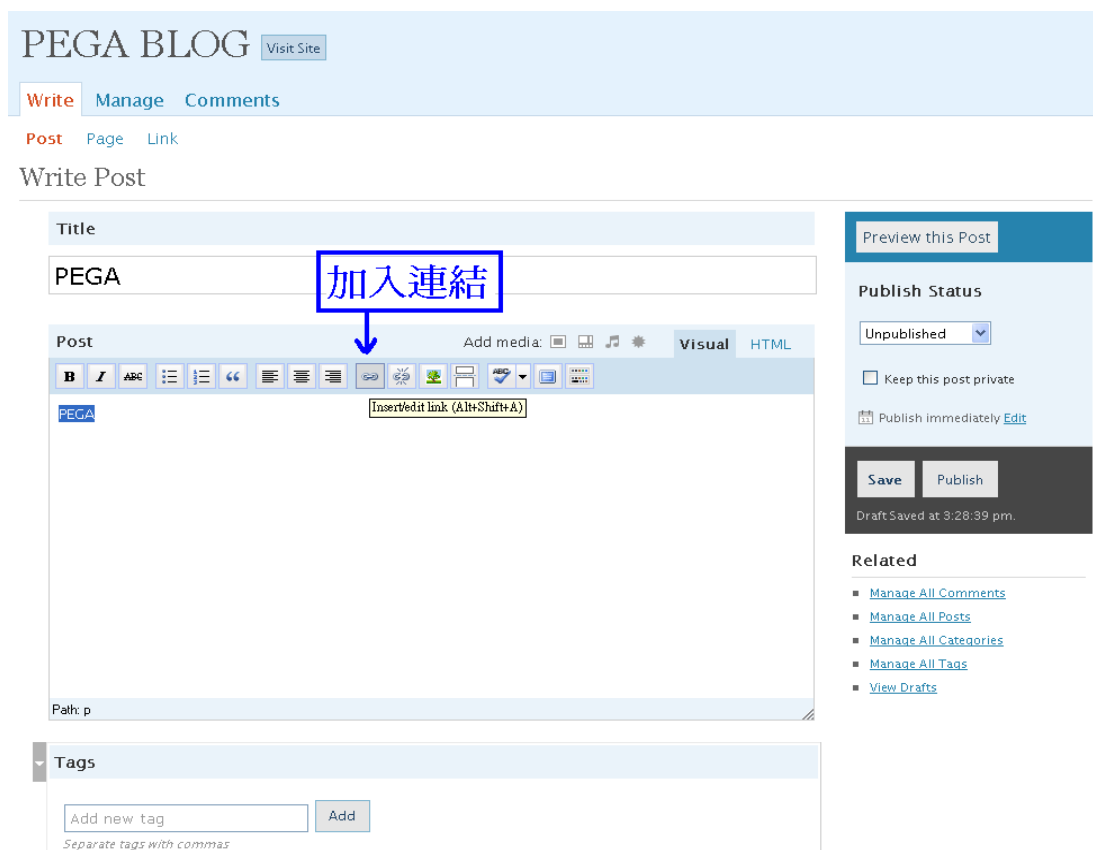

圖片尺寸系統已有統一格式，不需再調整。

The screenshot shows the WordPress 'Write Post' interface with a modal window open for adding media. The modal has a title bar with 'Choose File', 'Gallery (0)', and 'Media Library'. It has two main sections: 'From Computer' and 'From URL'. The 'From Computer' section has a 'Choose files to upload' button, which is highlighted with a blue box and the Chinese text '從檔案上傳'. Below this is a note: 'After a file has been uploaded, you can add titles and descriptions.' The 'From URL' section has an 'Image URL' field, a 'Description' field, and an 'Alignment' section with radio buttons for 'None', 'Left', 'Center', and 'Right'. The 'None' option is selected.
